Important Announcement

The last day of school for the 2025-2026 school year has been changed. The last day of school is now Wednesday, May 27, 2026. The school is required to have 75% attendance on all days. We have determined that we did not achieve that marker one day. Note, this is a tentative date as we still have at least 6 weeks of winter yet, and we have used 5 snow days at this point.

Again, please make note the new last day of school for students will be Wednesday, May 27.

Thank you,
