DONATION REQUESTS

As your children outgrow their clothes, keep in mind we can always use shoes, elastic-waist pants and winter outerwear as well as new boys and girls underwear. Your generosity throughout the year has been wonderful and very much appreciated!

CHARACTER TRAITS - At MS Elem, we are working on a new character trait each month. We have already worked on Respect & Responsibility, Gratitude, Kindness and Empathy, Perseverance, Courage, Cooperation and Honesty.

May is **CREATIVITY**: Creativity is using your imagination to create something new or solve a problem. The only way we change the negative normals in our world is to have the Courage and Creativity to think different! Ask; What do you think it means to think "outside the box?" "What's something you've thought about that might be "outside the box?"

We can sometimes find ourselves in situations that require us to solve problems or create something new. In those situations, we can feel stuck or unable to get started. Practicing Creativity can help us develop tools that allow us to use our imagination.
