CHARACTER TRAITS - At MS Elem, we continue to work on a new character trait each month.

February is **“COURAGE”**: “Choosing what is helpful, right, and kind

- even when it's hard or scary.”

We all experience moments in our lives when we have to choose what is right or kind. Sometimes, it's not easy to know what choice to make. Reassure your child that fear is one of our feelings and it's okay to feel afraid. Courage isn't fearlessness, but instead it is our ability to choose the right thing even when we are scared.

COURAGE

is choosing what is
helpful, right, and kind
- even when it's hard or scary

FAMILY MATH NIGHT

Thanks to everyone who helped make Family Math Night a success! We had a total of 277 people in attendance! 154 Students, 123 adults/teens, and 30 volunteers. All had fun and enjoyed a delicious spaghetti and meatball dinner. There were many very positive child/parent interactions. A huge thank you to all who contributed in making the Family Night a fun filled event and all the families for joining us! All students were able to earn a free book and many won prizes. Our Family Nights would not be possible without the assistance of so many. Thank you!
