## CHARACTER TRAITS

October is:  
**RESPONSIBILITY**  
*Responsibility;*  
*is taking action*  
*and understanding*  
*The impact of our choices*

Every day we make choices and take actions. Being responsible means we know how those choices impact all people and things involved! Sometimes we get to choose what we are responsible for, sometimes we earn new privileges through consistent and healthy choices, and sometimes we are responsible for things simply because we are part of a community (and we all have to do our part!). Talk about what it means to be responsible at home and ways to be responsible with our time, money and energy.
