## Comings & Goings!

Last Spring saw five retirements in food service. After many wonderful years in our kitchens, we wish a very happy retirement to Cat Armstrong, Richard & Deb Debruyne, Cheryl Corey and Sue Staffen. Our kitchens and the students miss them but wish them well.

This fall welcomed three great new additions to our food service family. All three ladies have children attending Morley Stanwood. We welcomed Erin Kemperman and Mariah Steele to our high school kitchen. The elementary welcomed Jill Valliere. Jill will also fill in at the high school when needed.

## What's been happening!

We have had two promotions this fall so far, our fall promotion, called "Dip into flavor!", saw students try different dips.

The elementary favorite dip was called "Mo's Hawk" sauce. While the high school named their favorite, "Chick-fil-a has nothing on us sauce!"

The winter promotion is called Chili days, warm bellies!

The elementary favorite lunch is Chili cheese fries, while the high school likes both Chili cheese fries and Chili tochos.

## More Student Choice Coming!

We tried a student choice a couple of times last year at the high school and are planning more in the upcoming months!

## Other exciting news!

The elementary enjoyed Cookie Day in December!

The elementary got a new refrigerated salad bar this year!

Our new mural at the high school, painted by Mrs. Moore's husband, Mr. Moore. He did an awesome job!
