

Dual Enrollment:

The dual enrollment program at Morley Stanwood High School is an amazing opportunity for students to receive college credit while enrolled in the district. We have a few requirements and reminders for dual enrollment.

1. College textbooks are eligible for reimbursement if your receipt is submitted within **two weeks** after the start of your class. Any receipts submitted after this date will not be reimbursed--the district can not reimburse for sales tax.
2. If you would like the district to purchase your book directly, please contact Miss Simons with the textbook information.
3. For the district to pay for your course, you must pass the class with a minimum of a D-.
4. College courses on campus meet twice a week with an instructor. You are expected to attend every session. If you are going to be absent, you must contact your professor or instructor.
5. All of the colleges and universities we work with offer virtual tutoring to students. If you need additional help, please look into these options.

My signature indicates that I have reviewed the requirements with my son/daughter. Furthermore, I understand my son/daughter must fulfill the above requirements of the program as listed above.
