The person directed the community member to a hand written letter that was posted claiming to be from the board. The notes will be removed. The board discussed what activities are allowed on school owned properties. It was decided to contact a sign company to make signs stating allowable uses to be posted.

Update on Senior Trip Options – After taking into consideration the board concerns, Mrs. Nelson and Mrs. Moore (Senior Class advisors) polled the class offering alternate trips to Chicago, Cedar Point, Detroit or Mackinaw. They are posting a sign up sheet for a Chicago trip to see if there is enough interest to proceed with that option as an alternative to Disney for those students not interested in the Disney trip.
